

re maid -

Piedmont.

My dear Anna

I write hurriedly just now to tell you of a nice girl from Ireland wanting a situation as housemaid, Mrs Evans has just been up to see me about her, thinking I might be in need. As you are much on my mind it occurred to me you might want a reliable servant, especially in view of your going away with Eric, so write at once to let your ^{know} a respectable Irish Protestant is

often such a treasure.

Her name is Lizzie Cohen
& her address is Mrs James
Cohen, 86 1/2 Inspector St.

Mrs Cohen says she is such
a nice mannered girl
& looks so respectable, the
girl, I think Mrs C. said,
brought a letter to Mr Barnes,
our clergyman, & comes
from Val good home.

Please let me hear at
once whether you are like
ly to want her.

I have also a nice person
in view such as you might
require if leaving home for
the winter, a lady, who is
now obliged to leave her
living, from Bellchill, &

like Mrs Cooks, she was
with ^{my} Murray, who died re-
cently, for some months
& gave great satisfaction.
I received your welcome
letter & am very glad to
hear that Eric seems better
since the cooler weather,
can that fever not how-
ever gradually if he is
not losing ground in other
ways? I am hopeful &
we must try everything.

Excuse a hurried note
for I want it to reach
you as soon as possible.
With love to Eric & your-
self I am ever affec-
tionately
yours
Louisa G. H. Holman
