My dear Mother,
Thank
you very much
for your welcome
letter. Louise's boots
will not nearly
meet round her
insteps or ankles,
& Eva cannot get hers
on. I tried Louise's on

to practice & not
take it as play -
Miss Baker asked
me to please tell
you that if Florence
leaves she would
much prefer to
look after all
the children her-
self. And if the sew-
ing was too much
have her sister
come up three
times a week like

Evra but they are
over so much to
long & will just
meet. They need
new boots very
badly at once.

I have not had
time to go & see
Miss Phillips yet but
will go soon.

I think I could
teach Ruth music
if she would promise

last winter. as it
is Miss Baker had
the baby as much
and more than
Florence. Miss Baker
will not stay after
Hans, she would
like to leave before
if possible -

I took baby to see
Mrs. Myerson, she
was delighted
with him, he was
so merry & good.
With much love
Care -
