Dear Mother,

I have been trying to write to you all week but so many things have be prevented me.

I saw Miss Campbell the other day and she sent you her love. Lois has been at Carfys from 12 o'clock this morning till 7 this evening she even wanted Eva to go to but of course we

would not let her because
it would be too much for
her. The one christmas present
I want is a school strap
or bag there are some
very nice ones which are
very handy  there
is a little piece of wood
on the bottom with two little
places for the strap to go
 and the top has
a little pencil box with a
ruler all in one ^{top} 
they are so nice. I so
often lose my pens and
pencils going and coming
to school. There is never
time to have kindergarden
before breakfast they are

never dressed in time but I give it to them
on Saturdays and wednes-days at 4 o'clock. on
Saturdays at half past eleven till one thing
are so good and they take such an interest
in it Helen comes too and E. the who
is general assistant; it is ^{quite} such a little
class they have sewing, I took a little red felt
to make two little pen wipers for Leonard
Bernard to wear. Do you know what E. ric
would like me to give him on Xmas I
am in such want to know what to give
to any one this Xmas I wish you could

give me some Ideas. By the way I forgot to tell you
Gran Amama asked me
to tea one night - and
then she brought a parcel
down from one of her
instrument cupboards and
it was a  but all
the notes were loose and
it was full of dust - but
all the notes were made
of glass and we cleared
them all up and stuck
them in with glue
and then she gave it to
me I can play "when he
cometh" on it. I really must
stop now for I have been
hurrying so much with
this so as I can write a
line to Eric. With much love from
your little daughter Ruth.
