Dear Mother

I have not
written to you for a long
time because I have been
so busy with my
lessons and trying
to get head of my
class but to night I have
got time to write you a

short letter². to-day uncle
geord came down from
attawa for saturday and
I went in to dinner
with grandpapa and
stayed till it was
time to go to sun-day
school.

2
valery has not been very
very well and is very
cross to-night and
wakes up every few
minutes and genny
has a very hard time to

wash the dishes and to
put baby to sleep and
carpy send her love to
you and Eric and on
my birth-day she
gave me a lovely stamp
album and I have
begun to put my stamps
in it.

blare is at carpy's
to tea.

and I am going to
thank you for the

4
lovely tie you sent me
I took the checked one
and Conrad the pink
one. Harold Pease gave
me a white chrysanthemum
and it stands
on the dining room
table and looks very
pretty. but I am
afraid I will have
to say good-bye

with much love
from Conrad
