

See Am. M. W.  
accident

Montreal  
Sept. 13<sup>th</sup> 1895

Dearest Love,

I have had a very busy day and now it is tea-time, so I cannot write a letter. Tom father is coming in to take tea with us. He is looking very well and seems in excellent spirits. The girls have got to work and appear to enjoy being back a school again. Mr. Nolan dropped in to see them for a moment to-day.

I have done all my unpacking and got all the trunks and boxes up in the attic with the exception of Clara's & Ruth's.

To-day I met Peterson again  
and found him very pleasant.

Mr. McDonald met with  
an accident a day or two  
ago which might have been  
more serious. He was out  
riding & his horse stumbled  
and fell, throwing him head  
upon the road. His shoulders  
were bruised and his face  
also, I believe; and he will  
be in the house for some  
days. Tom father went to  
see him to-day.

Love for yourself and  
all the little ones from  
Your fond Bernard.
