Dear Mother,

I arrived safely on Tuesday morning but did not go to school because I was too late for the opening. It was all over by quarter to ten but will go today. It is very hot here & close & there is nothing to do. I wish I was down there the smells & crowds dirt & heat are awful. Father has gone up to Amherst on account of his uncle's death but has not returned.

The hall is lovely it is
done with a light yellow
paper with a very pretty pattern
on it. And there is a dado
around the bottom of a
mossy colour they are
separated by a pretty little
strip of ornamented oak I think.

The nursery is very pretty too
I think Deacon is done now
for he has not turned up yet.

The place up here is very
lonely & quiet. I went to lunch
at Mr. Gappers on Tuesday.

The New building is forwardly
& getting on fast & looks fine.
I wish you were all up here
too but it cant be helped

Please tell Bernard not to
forget about my sail on
the beach. I hope you are
having fine weather.

Give my love to all down
there tell grandmama
that Sarah arrived safely.

I must close now because
it is time for breakfast.

yours truly,

Con.
