My dear Anna,

Many thanks  
for your kind attention  
to my requirements in the  
way of guidance for  
Christmas. There is the  
Chair for fls., something  
for water I really do not  
know how what it should  
be since the entire dish  
has failed. There was each  
cost abt \$10, so I am  
enclosing a cheque for \$30

the balance to cover something  
for the younger children  
under Clara's guidance.

Of course I shall be glad to  
go further if anything really  
desirable should turn up.

I will bring down some  
sums of money for the  
older children.

Thanks also for hint abt.  
Eway. — I have almost  
given up sending her Christmas  
things, they require so much  
forethought, but I will see if  
I can find something.

I have had a rather disturbed week  
so far. Was asked to move to for 5  
miles at Govt. House the same evening as  
Sunday Rev. Had my overcoat stolen  
out of the Club hall on Monday evening.  
Most of yesterday looking after why when  
the alpine man who came here wanting  
some information. Evening at Naturalists  
Club meeting to accept a protract of  
Billings which is being presented to the  
Survey. This morning at the Police  
Court, the coat & the thief having  
been found etc etc.

Yours  
George
