

Special Letters  
Re G.M.S.

a

OFFICE OF

UNDER-SECRETARY OF STATE

CANADA.

Ottawa.

5<sup>th</sup> April 1901.

Dear Mr. Harrington,

I duly received  
your note of the 25<sup>th</sup> ult. with  
accompanying photographs  
and should have attended  
to the matter before but I  
have been much occupied  
with other things.

I am sending the  
photos to the London Illustrated  
News with a short sketch

of the doctor's life and work.

We cannot expect these illustrated papers to publish every detail and therefore I have made it as brief as possible. The sketch outline is in fact.

I enclose a letter which I have recently received from Lord Alvestone together with two copies.

Kindly return the original to me after having done so.

has seen it.

I should much like  
a photograph of the doctus for  
myself if you could spare  
one -

When shall I send his  
papers down that finished  
classifying and arranging  
them?

Yours sincerely

W. H. Holmes
