

Berthier-en-haut

June 10th 1900

Dear Mother,

I thought I would drop you a line because I have got a little spare time in school.

We don't start our exams till next week so we have got this week to do our studying in.

So far this year we have got 218 eggs and are trying to get 250 before the 20th of this month.

I will have to close now. so good-bye for the present.

Bernard.
