Dear Mother

I thank you very much for the picture post cards you sent me. There is a very funny American lady down here and she walks with a little wetying step and wears a big fur storm collar but she is not going to stay here because she wants to write to some

paper and she said it was  
not quiet enough here, Elsie  
McDougal came down last  
Wednesday and the Suth-  
erlands came on Saturday  
and Constance and Mar-  
garet and Elsie are up  
here all the time, I have  
learned how to ride the  
bicycle now and I often  
go up for the mail, I  
went up to get weighed  
yesterday and I

weighed 80 pounds I will  
have to stop now because  
breakfast is ready so  
good bye from Eva.
