living on my English clothes, I still
have my brown + black suits for
the winter + do not need to bother
about new things - Wale R.
has to go up to town tomorrow
about the house, + is quite sorry
to leave - Lois is making such
dear little dolls hats, out of platted
tissue paper - I wish you could
see them. This is such a
scribble writer with so many in-
terruptions, but I hope it will
give you a general idea of what
we are doing + how we are
faring - Father is quite well
now - With much love to
Aunt Eva + the children
+ with love to yourself
Your daughter Clare
