

Anacanda, Mont, Dec. 4/07.

Dear Mrs. Harrington:-

Just a line to express
my sympathy in your bereavement.
Dr. Harrington was the man who had
more to do with the guiding of
my career than any other.

He was a true friend always.
Whenever I met a McGill man, the
first inquiry was, "How is Doctor
Harrington?"

Sincerely

Dear Mr. Thompson

Dear Mr. Thompson:

Just a line to express

my sympathy in your bereavement

Dr. Thompson was the man who had

more to do with the founding of

my career than any other.

He was a true friend always.

Whenever I met a McGill man, the

first inquiry was, how is Doctor

Thompson?

Sincerely
