YALE CLUB

30 WEST FORTY-FOURTH STREET

My dear Mrs Hamilton, -

It was with the
deepest regret that I saw of
the death of Professor Hamilton
in the paper the other day.
Ever since I first met him
in New Haven I have regarded
him with the greatest admiration
and esteem. My visit in Montreal
at your house brought me to
look upon him as a warm
friend so that I feel strongly

his taking away. It may be of
some comfort to you to be
assured of the ~~sincere~~ sincere sympathy
in your deep sorrow, of myself
and the family.

It has been my hope
from the first that it would
be my privilege to see you again.
May the wheel of fortune turn
in such a way as to bring
this about in the near future.

Very sincerely yours,

Murray Sargent.
