

From Mercy  
Ans

My dear Mrs. Houghton:-

Two of your beautiful  
letters - one has been recd -  
I have always kept them  
in my Darling Father's Book -  
You - who understood my  
Suffering - Can I not say

Something to you - as your great  
beliefs - I want to say  
something - but feel you  
are so brave & noble - I  
feel a little ashamed -  
I can at least thank  
you for your words of  
help to me in my

After August - And ask  
God to make me sure like  
you -

Lorraine has just given  
me dear 'Mutt's' letter to  
read -

Love perhaps you  
may see me - I must

No different to Mrs. who  
have not suffered -  
Lick under her
