memoirs

My Dear Mother and Father,
I'm so glad you happened
to marry each other
because I don't think
you could have made
a better selection for
my parents

Your daughter wishes
you all kinds of scrumptious-
nesses for the seventh and
I suppose by this time you
will not have a doubt

as to which of the birds
is speaking at this end
of the line so I need not
tell you that it is

Scrap.
