

DEPARTMENT OF MINES

GEOLOGICAL SURVEY

R. W. BROCK, ACTING DIRECTOR.

OTTAWA, May 22nd, 1908.

My dear Dr. Adams,

On returning from Washington where I was making a comparative study of the palaeozoic faunas along the forty-ninth parallel ~~re~~ Dr. R.A.Daly's material from the Boundary Survey, I find your letter awaiting *reply*.

Enclosed please find my personal cheque for twenty-five dollars towards the protrait of our lamented professor and friend Dr. B.J.Harrington. Try and get a good photograph struck of the portrait, if you please and I shall be glad to pay for same.

very sincerely yours,

*H. M. Ami.*
