Dear Mrs Harrington,-

I received the two volumes of the Royal Society and enclose a cheque for \$5.00 in payment. Please send receipt.

It is customary to insert a short biographical notice of each member together with a portrait and I will be much obliged if you will send me a photograph of your late husband such as you would like to see reproduced and if you will ask one of his friends to write a short notice giving the chief facts of his life, I will have it inserted in the report to Council.

Yours truly,
