Dear Mother

We have been
having examinations
the last few days &
I do not like them
at all but I am trying
my best - I will give
you the marks of the two
we have heard about -

geography

| | |
|-------|------------------|
| Lois | $\frac{82}{100}$ |
| Eva | $\frac{59}{100}$ |
| Jean | $\frac{57}{100}$ |
| Erica | $\frac{53}{100}$ |
| Elsie | $\frac{30}{100}$ |

Scripture

| | |
|-------|------------------|
| Eva | $\frac{76}{100}$ |
| Erica | $\frac{71}{100}$ |
| Lois | $\frac{70}{100}$ |
| Jean | $\frac{67}{100}$ |
| Elsie | $\frac{37}{100}$ |

I think that- this not-
bad for Eva & myself.

Erica begins to feel
pretty sore that- she
does not- get- head

I suppose because she
has been so accustomed
to be head, We are

going to Metis on wednesday
the 4th several people

have told us that- there
is lots of snow there
still. So we are

thinking of having
some more snow ball
fights, I wish you

could get- us some
of those rubber bathing
caps & send them to

us as we will need them

This summer, it is warmer here to day than it has been yet, We have been in a great state about - a dressmaker as Kate has gone home to stay with her brother till he dies, We have been ransacking Montreal, Clare has got me to make hers & we had ^{ve} to buy a pattern & take it to the dressmaker at Metis, I hope you are keeping quite well & are having a nice time, We went to Westmount Park with father on Friday it is so pretty there the have a big artificial watered pond & all

the little ^{H.} boys of West must
sail there boats in it
then in one of the dammed
up ponds the have a
lovely white swan
it was the first one
I have ever seen it was
so graceful in its
movements & looked so
comfortable, I wish you
could send us on a
letter a 2½ stamp it
is blue & I want the
same issue as you send
in your letter now,
will you please give
my love to Silvia & Grace
& tell them that when
I get to Metis I will have
more time to make paper dolls
with love from Lois
