Lille Metis

Weddy

Dear Mamma,

We went for
a drive yesterday -
Grandma, Grandpa
Mrs Carpenter & Edith
and I. We went
over to the Ferguson
House the Lighthouse
and where the Indians
live. We went to
the Terrace & to the
Dejette & Grandma

Gave a present to
Mrs. Lennick. Then
we drove home by
another road. We
saw a great many
things that I can't
tell about. There
were not many
raspberries and
we did not get
many blueberries.

It was a very fine
day. The mail
was late last
night and the
passengers did
not get here till
after we went
to bed.

Love to Mamma
& Papa & baby
Eric

This is where the Indians live,
