

My own love -

The Polyglot Bible I sent  
for has arrived, so I sent it  
in - I had meant to keep it  
till the wedding morning  
but I fear some one else  
may forestall me & give  
it you first, & I desire so  
much that my gift to you  
my heart's darling may  
be one you use often &  
I was sure Bernard had  
it on his mind too, but  
he has given you all - &

honestly - & I do not think  
he need judge me the pleasure  
of knowing that my Belice  
is the one you use -

Some time he may buy  
you another -

Good night love  
God bless you & keep  
you always & ever

~~for you~~ for my  
precious treasure  
you are more mine  
than all the world remember  
now I give you up  
don't forget how I loved  
you mine -

Miss Brewster
