

My beloved Child,

I shall be in to see you this morning
as I have two invitations, for you + also some
new to tell you, all jolly nice things, my own
Just - was I cross Yesterday to you, do you know I
dreamed of you all night - + thought you left me
& nearly broke my heart, so you see I do love you the
best - in all all the world real + true

Your own own
tease

Miss Lawton
