

Coal Lands - N. W. T.

The application was
never made

To the Right Honourable Sir
John A. McDonald K.C.B.,
Minister of the Interior.

Sir, I beg to enter applications under
the regulations for Coal Lands of
— for the tracts described
below & situated ~~adjacent~~ on the Mill
Creek & the Middle Branch of the
Old Man River, ^{N.W.T.} respectively.

1. Tract of 240 acres situated as shown
in annexed sketch (No. 1.) on Mill Creek
The tract to be rectangular in form & bounded
by N-S & E-W lines. The Centre of this
tract to be at the junction of a small stream
from the East, with Mill Creek. Said junction
being situated about one half mile East &

3 miles South of the Government Mill. The tract to extend one half mile East & West from said junction, & one quarter mile North & South.

2. Tract of ~~320~~ 320 Acres situated as shown in annexed sketch (No. 2.) on the Middle Branch of the Old Man River. The tract to be rectangular in form & bounded by N-S. & E-W lines. One mile long E & West by one half mile wide N & S. The southern boundary to be on or near the Middle Fork in approximate latitude $49^{\circ} 35' 20''$. The tract to extend one half mile East & West of the main coal outcrop in the North Bank of said river, which occurs at a point about one mile & a half West of the Confluence of the Government Mill on Mill Creek. Trusting that the above application may meet with your favorable consideration.

I have the honor to be
 Sir, Your most Obedient Servant
