

1876

Oh Bernard dearest,

How cd
you behave so badly, I
have a telegram from
home about Laura I not
tell me, but - after all I
cant - I cold you, for
those who live in glass
houses, etc - I did not
tell you that mamma
had asked her to come, I
thought I wd show you
that I cd keep a secret.
from you - but I wont
do so never no more,
we have had a telegram
& respect Laura tonight, your

father to coming too,
but I don't know
wh. train they will come
by - Do come up tonight
& you will see her -

The roses are nearly
faded so I have nothing
to console me for your
absence - Papa & mamma
are out -

Very much in a
heavy heart still -

Yours

Anna
