

M^c Gill College.

Montreal.

Saturday

My dear Mr. Harrington

I regret very much that an unexpected call to Quebec will prevent me from being at the meeting on Monday evening.

I have prepared an address for the 18th which I hope will be of interest. I am taking up some practical subjects suited to the time.

Please say to me that I think a

Curator and acting
Secretary of some an-
thropic and of
business habits a
vital requirement for
next year,

I would also
strongly recommend that
any vacancies in the
Committee should be
filled with gentlemen
pledged to work
for the Society.

Another recommenda-
tion which I would

Dr Dawson,
May 1877.

What I can secure
the secret I shall
be glad to attend
to it.

I think it most
important that Mr
Shelton should give us
his services as farmer
for another year.

Yours truly

W Dawson
