My dear Dr. Huntington,

Had not time
 to write you that
 you were to be in
 town this week,
 I would have written
 to ask if I could
 take a do anything
 for you in going to
 meet. I propose
 to leave this evening.
 I sent Edward

one day to cut
down weeds in
your ground, and
if I do not see
you shall make
you with some
of the beans for
the wets folk.
I leave with
Hammill a few
nos of "Nature"

which please read
& forward to George
also two parcels

I hope you will
be able to come
to Meets for a little
time. I shall stay
out a day or two
and so on to
Campbellton for
a week or so.
