

much wrauer than last 2
year - I aot to tell no trace
of the hatching house key
I can be found - Who
locked it up last year?
& if so well that person
rake their memory for name
of its whereabouts. We
need to unclress among
the trees which is not
agreeable at all times
& as the population here
increases, will not do at
all -

The trouble about pro-
visions is no joke - It seems
that almost no ordinary
butter is being made
on account of the cheese
factory, & that I believe
dealers have bought all
level up eggs & left none
to buy all that can be
had at high rates. 15th
I believe - I positively
people have had to hire
carriages & go round looking

far what they needed - Bread is 20c
a loaf - Why I cannot understand?
I asked - a little higher than former
I sh seems abundant at last salu-
more 3 times here priced & w; variation
me - I am about ever the think
I going to bring I went with all
my heart - that is not good, delight
to Althought that was so, delightful
to not - really must - must I think
land - for of fear all land ownership
must - must be a great deal of buying
& the sea was seen a perfect case
for children - Ellis' face looks like
French, I say 'remember a full moon
stealth, has air aptly by water
& is various & irritate, though buying

swell enough - I must try
I have a peep at her
teeth some day soon as
she refuses willingly to give
her mouth -

Eric is becoming quite a
useful little fellow - he
has twice been to the
Post Office for us quite often
I planted a whole row
of onions for me today the
season is rather a drag
but - perhaps may improve
English history meets with
his warmest approval
also sketching. It is wonder-
ful how closely he observes
& how accurately he remem-
bers - a few strawberries
were found ripe today
Clare begins to plead for
two berries whenever she
sees any one looking atten-
tively at on the ground -

Thursday
Another day of meetings
met - wh. as you know
is every very wet - so my
sketch will have to wait
