Dear Dr. Harrington!

Accept my very sincere thanks for your kindness in sending me a copy of your life of Sir William Logan. All Sir William's friends will, I am sure, be grateful to you for the admirable way in which you have accomplished a by no means easy task. As a piece of literary workmanship, the book, I think, is most judiciously put together.

With kindest thanks,

Always truly yours

E. W. Chapman

Dr. Bernard Harrington.
