My dear Frankston many thanks for  
your book. I have had time so far  
only to glance at it, but I can see  
that it is a piece of good & honestly done  
work. The publisher has got it up  
exceedingly well too, & I am glad to  
think that we can publish in such  
style in Canada - Sir William Logan  
deserves to be remembered by us, & I feel  
grateful not only to you but to those  
who moved you to erect a memorial  
to him. You refer to my numerous engage-  
-ments - Indeed they are too numerous,  
& quite inconsistent with real  
achievement in any field; but

I find it hard to say no, when it is  
represented that I can give a shove  
to a good Cause, or even a cheer  
to other workers. I wish no higher  
need of praise than that you give  
to Lafare, when you say that he  
was "willing to work for Canada".  
And in order so to work, we must  
be willing to sink self. Believing  
that you are one of those who are  
ready to subordinate self to your  
work, Believe me, with all kind  
regards,

Ever sincerely yours

Wm. D. Hunt
