

McGill College,
Montreal.

Monday

Dear Dr Harrington

I have just
learned from Mr Staring
that the Executors of
Mr D Greenbelds have
given their consent to
the proposal to endow
the chair of Chemistry
and Mineralogy in the
Faculty of Arts. I shall
have the pleasure of
writing in your name
as "David Greenbelds
Professor" and the

1871
Jan 1871
to
There are here here
where there is a cross
plant because of
them.

Walter is
waiting for I must
close
With love to all
Truly yours
Madison
