gargle, & now I am going
to take some Glycerol
like a very brave girl.

some violets, there are
so many in grandmamma's
garden & in ours too.
I have a new doll, her

name is Fanny Gertrude

might write a letter
back to me.

Little Natis

Sept 3^d - 1884

Dear Father,

I hope you
will come back here
thank you very much
for that nice little basket
you sent. Now I can
very lovely nearly all
the children I used to
play with have gone up
to town - yesterday
we had a fine bonfire
& Jack Sawyer came to
tea - & now I don't
know what I will
do without you father
dear. The juggies came
& I eat all our potatoes
& I did not like that
at all for I wanted
some nice potatoes &
two times I had to chase
them right down to the

& I was quite out
of breath -
From yr. loving
little Edith.
