Dearest Father,

I have only written one letter to you and so I must write you another one.

I think we are going to have some weather

like you had ~~it~~.

Montreal it has been raining all night and has been very wet in deed but is not raining now.

Would you please be so kind as to bring down our music book

it is on the top of
the piano so pieces
of it may be
scattered about.

Your affectionate
Clare.
