Dearest Bernard,

Many thanks
for your Sunday letter, the
first news I have had
from the world I left be-
hind me - I am sorry to
find yr plans still so
undecided, but hope that
you will see a way open
soon - No doubt the Star has
done you a good turn in
advertising that you had
left town. If hope leaves
Thursday, you will have
more leisure to do what
has to be done - Mr Turkey
is anxious to bring you
down from the station with
a new buck board & a young horse.

which he will allow you
alone to drive - In case
I chiel not tell you Kelli
gets \$11.00 a month & I spend
her till end of May - Will
you please tell her if she
can find a sheet marked
6. 8. to send it - I can
only find 5 of the 6, &
send the extra one if it can
be found, if not never mind.
I have brought no coat
of Eric's & he must either
bring his sweater one as he
it & careful up properly -
I wish he we bring her
sweater - The Prince & the Prince
it is in the box in the
attic with the other paper
covered staries - I don't
he knows - I can gradually
getting matters into shape
here - it is a bit complex
but I have 3 most willing
aides - Sarah is better both
as cook & as regards head

than I had hoped for - I all I recollect
like the place - Achinc does not get
quite as well as some things - but
there is all that is needed - the only
is that his time here is so short - that
myself being not well - I had
change - in our families

I am glad you wish to the
S. 11385

so pleasant - I am sure that
have enjoyed it - I hope they liked
I think yet - might be well to
travels from the river near
the is not at all right - that
has been quite well - I fear
will come - I the confusion
land - I generally to out of
I hope the his will tell - I
the river sweetest -

and because' so the history is on the page
of this month - I wish that I could
in letters as well - I am not a letter
place to be kept to her - I did not
mean money to go & very good by
with me of old has been here, I
think to mother about it - when she
comes - by there is any thing pretty in
garden, she makes it take her in any
of young year & he will have a
time - I hope so & that perhaps
may have good news for you -
she does not want about the
of friends - I am sure that will
right - I mean that will be a
and soon -
