

of the little case - I will go on with  
preparation for the - I if needed and  
the children soon with Kate & them  
as soon as possible? I go with Eric, if I  
received letters in a few weeks I certainly  
passable - I might leave soon, if  
not, you might - when and in July I  
leave the little party - I do not in  
case make a decision the I am  
the Division of the end of summer  
with some -  
I prefer me to the best & am  
I will not seem - I can know without  
being how have I find it to be - I  
of the & am broken today, as I thought  
I - in the heart of possible change in I am  
plans - I had asked but not to take I  
it seems to me the suitable if all the

enabled begins to talk - I have money to do.  
As to money - I have what is in the bank  
on account of Eric's money - already withdrawn  
on account of I have some & make about  
what I am thinking needed for the children but  
not it - cost of care has made the most  
difficult - getting the help? I hope I seem  
is although needed - I understand, accepting  
knowing the money question with him &  
I don't want to want to help, but to the  
what - under the circumstances a second one  
The way with this sometimes - but the  
my darling I said I got spare & see the  
anxiety - & grief - I got ideas of see this  
with his presence, which can help with  
from year of soil - All this, others are with  
When the labor has warning, I doing the  
all guests of family are made now & have  
general excitation out - I believe
