The day has gone by as most do here - Stuart Peck & Bernard caught a lobster in a pool at low tide - but Mr P - threw it away as it was carrying eggs & he said it wd not

& went into it thoroughly
as she always does.

This prevented my going
to the cricketing but I shall
hope to go there the next time

will have improved in reading
a good deal by the end of
the summer. Did you
ever hear how Mrs Keppels.
