

special will be on as off
next week, & then we will
act - accordingly

Woffie is a splendid boy
to work - he has brought his
mound & taken all the licks
out of the screening - rarer
careful - & even helped Mr
Tucker get the trunks down
as Bernard was out of the
way - & he did it - all well
Mr T - says he is worth him
of Cor as Bernard so quick &
so willing.

Cor will have to make
a struggle, I fear to regain last
week such a misfortune
not to march steadily -

all well & much love
for self & Conrad - I received
a photo of Dr & Mrs Walker &
we were all taken with Mr
Walker's face - please thank
him for it - I hope they will
find some suitable & pleasant
dwelling Truly Anne
