Dear Father
I planted some
onions in my
garden, and
I call them
Phillips We had
a bonfire in
celebration ~~the~~

P.S. please excuse
this short &
untidy letter
of Poppies but
he is simply
dreadful to
day he is so
slow & won't
do a thing
& I have to
remind him
every now &
then to wake
up by introducing
the tip of a fishing
rod.

The poppies have
just begun
to come up
and we water
them every
day.
