Dear Father,

I received your letter this morning and was very glad to get those stamps because I have only got one of them. I got a my set of egg blower, but if you could while over there get me a drill because the one I got is rather rough and sometimes breaks the eggs. There was an

entertainment for the
Golf club the other night
and they mad \$79.00
which was not bad.

I am sorry about
the smoking but I
am trying as hard
as I can to give it
up but I find it
very hard.

The last two days
have been very fine
but too much wind
it was strong south
west. I have just had
a round of Golf and
there were lots of people

playing this morning
so it was rather
hard to play well.

I was out shoots
shooting the other
night with Steward
and we got three
Black crowned Night
Heron and the
phosforecence was
simply fine we
could see large shoals
of herring and smelts
quite plainly in
the water.

We have had four
or five quite nice

roses out so far and
there are about 8 moss
roses in bud. The
poppies are very far
behind hand and
none of the nasturshins
are out yet.

I will have to close
now as it is lunch
time

Remain
Yours Affec. Son

Bernard
