My dearest Father,

This is just
a line to wish you
& Mother very many
happy returns of the
Sunth! I do wish
we could all go
out for the occasion,
but as we cannot!
the family is sending

a little token to you
& mother by which
to demonstrate our
esteem!! I just
miss you terribly
much & wish that
I could just surprise
you by running in
to sit with you an
hour or two now &
then. I do hope,
tomorrow will be a
fine day & that you
will have a good

day. I am so sorry, I intended
to use my party writing for your
special benefit, so but I forgot -
so you will have to forgive it!
A great deal of love to you both
from your affect. daughter

Ruth -
