My dearest Father,

I hope you are quite well and that you will be able to come down to Metz just for a few days because I would be so lonely with-out you I think that if you could come down there

2.

It would do you more  
good than anywhere else,  
that is if you could  
stand the long journey  
with hurting you. but I am  
abraid, I hope to go up  
and see you before I go  
to Metis. Mother said I could  
have gone on Thursday  
night and slept on your  
hammock but I thought  
I might get lumbago or

kidney troubles. It is bad  
 for the health, I would not  
 like to break down. I am  
 getting on ever so much better  
 at school better than I ever  
 done before. I want to ask  
 you if you think I could  
 write to Mr. Russean and  
 ask him to make a few  
<sup>for nets</sup> huts because ~~our~~ our old one  
 is leaky. Your very sincere  
 boy  
 Wm
