Montreal Decr 31. 1871

My Dear Mr. Warrington

in regard to the
matter mentioned in my letter.
My plans are not yet abso-
lutely certain, but I shall know
in a week from this, probably.
If I leave, as I now expect,
I shall use my best endeavor
to have you succeed me, and
try to arrange things in a
way agreeable to all concerned.

I go to Boston on Tuesday
to return on Saturday, &
shall see you by the time the
term commences & be able to
tell you positively about
the matter.

Very sincerely yours

W. Sterling Hunt

B. J. Harrison Esq.
