Dear Sir, Montreal

Here were, I believe,  
12 copies of Mr. Dawson's  
report on Minerals British  
Columbia, struck off separately,  
but I am informed they were  
all sent to Mr. Selwyn.  
Montreal.

I find one of the proof  
copies in the office and enclose  
it herewith

Yours truly  
J. M. R. Burpee
