Sir,

In answer to yours of
the 15th Inst. I beg to inform you
that I will forward to you in
a few days samples of Plain &
Fancy Bricks also some Clay
& Sand from which they are
manufactured, which you have
kindly offered to forward to the
Paris Exhibition. I am the
oldest Manufacturer in Yorkville
having been personally engaged
in the Business for Forty Years,
my Husband being dead that
length of time. We were the
first settlers on "Blue Hill"
Yorkville. I use the "Sowley
Brick Machine" (my late Nephew's)

only

and make nearly Two Millions
every Season. The Prices of
Bricks range, according to
quality, from \$6⁵⁰ to \$10⁰⁰
per Mil:.

With Thanks

I remain, Sir,
yours respectfully
Mary Townsley
