My dear Chairman:

Any Graduate of your institution  
having taken the course your name  
will be admitted here without

Junior Class. One remember with

much pleasure the material we  
have had from your College  
and would like some of the same  
sub. - I was very sorry to miss

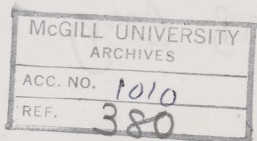

you at Stamford last summer

Mrs. Brown & I called on Mr. J. D. Allen

but found you out of town. I left  
my card for yourself and Dr Dawson  
but perhaps it never was given  
to you. I afterwards met a Montreal  
Gentleman named Gilman who knows  
about you and from him I learned  
that you were well and prospering  
w. I trust Mr. & Mrs. Allen desire  
to be kindly remembered to you

Very truly Yours
