Dear Sir

I have received ~~your~~ your letter
with contents + send you a copy of the Hawes
report by mail, as requested -
My entire collection, 250 specimens, I sell
at \$50. A.A. Julien has arranged with
me to furnish sets of 30 specimens out of this
250, to accompany slides cut by him from
the same. I really have forgotten the price
he puts upon this collection and the accom-
paniments. I can dispose of a smaller
number than my entire list at the rate
of 25 cts per specimen - Some of them
are only 3x3 inches in size - but most have
been trimmed approximately to 3x4 inches.
I shall be glad to arrange either by sales or exchange
of part or all the collection upon desire.

Respectfully
Yours

C. B. Hitchcock
