Dear Sir,

I have been three
months absent from Breslau and only lately
returned. During my absence the parcel with
the specimens of *Archaeozathus*, which you
kindly sent me, arrived. I am therefore
now only able to express you my very best
thanks for the trouble you had in procuring
those fossils for me. The specimens are very
instructive and of the highest interest to me.
Please thank also Mr. Whitehead in my name
for the trouble he took in selecting the speci-
