REF. 304

Montreal, 31st Jan 1881

My Dear Harrington,

You will be doing
me a very great favor if
by informing me where
I can get the articles
enumerated in the en-
closed list. I am not -
and never was - much
of a geologist, and, having
been appealed to in this
matter, thought I could
do no wiser thing than
to make our friendship
a pretext for obtaining
from you

that information which
I did not possess. I
thought that you would
be both able and willing
to tell me where they
can be found in
Montreal.

Please return the list
with reply & oblige
Yours very truly
B. C. Macken
