Mineral Specimens

Perth  
May 21 1881

Dear Sir,  
I have the honor to acknowledge the receipt of your letter of the 19th inst. in relation to the mineral specimens which you have the goodness to send me. I have examined them and find them to be of great interest and value. I have the pleasure to inform you that I have accepted them for the collection of the University of Toronto. I have the honor to thank you very much for your kind attention to this matter and for the trouble you have taken in sending them to me. I have the pleasure to enclose herewith a receipt for the same. I have the honor to remain, Sir, your obedient servant,  
J. D. Davis

Dear Dr. Harington

I send you by Express  
today a thin crystal of Apatite  
from the Bobb. Lake Mine, also a  
piece of specular iron like that I  
gave Dr. Miller, if there is anything  
else you would like from this part  
of the Country do not fail to let me  
know.

Yours very truly  
W. Davids
