Dear Dr. Harrington.

My fate is settled at last, and I leave for the N.S. about the middle of the month. I there anything I can do for you, before leaving. I have written to Renfrew for some minerals and if I receive them will supplement the samples you had. I was greatly surprised

surprised to hear from my
friends in N.Y. that R. L.
& Co did not accept
the property. It does not
appear they doubted the
value of the property, but
for some other reason.

I fancy their disappoint-
ment will be great.

Hoping you are well

I remain dear & affectionately

Yours sincerely

John G. Miller
