Nashua, N. H. 28<sup>th</sup> June 1881,  
Prof. Harrington,  
Dear Sir,

I found on my return from  
Canada, your Package and letter  
awaiting me. The specimens are  
very interesting, and trust the  
specimens I return in same box  
will be equally interesting to you.

Will level up the matter  
of Express by returning unpaid.  
Call and take a look at  
my Collection should you visit  
this City. Please acknowledge  
receipt of package.

Very Respectfully

William F. York.
