1882.

My dear Dr. Harrington

Having that, in the necessities
 of duty, I have had to perform,
 I may have neglected to acknow-
 ledge the receipt of your letter
 permit me now to thank
 you for the interest you took
 in looking into the matter of
 the wood specimens for Prof. B.S.
 & Prætor
 I shall be much

gratified if you can manage
to attend the meeting and still
more so if you can contribute
a paper on the important subject
of Forestry in any of its branches
I am, my dear doctor,

Very respectfully

W. L. H. G.
